# DIRECTORS' REPORT TO THE SHAREHOLDERS (STANDALONE AND CONSOLIDATED)

## **PRINCIPAL ACTIVITIES**

The company's principal line of business is to provide services legally permissible and also trading in products as permissible under Law. The Company is focused on Islamic Financial Services through its subsidiary, UDL Financial Services Limited. Looking ahead, the company plans to expand its horizons by venturing into the FMCG market, skin care, food, etc., where it aims to establish unique brands that reflects commitment to quality and excellence.

## SUMMARY OF FINANCIAL PERFORMANCE (STANDALONE AND CONSOLIDATED)

These half yearly financial statements re not comparable with the same period of last year after the completion of the merger process effective April 23, 2024. Moreover, corresponding figures of standalone and consolidated accounts are immaterial and are, therefore, not meaningful.

In the standalone accounts, total revenue was Rs. 20.23 million. Unrealized gain was Rs. 17.02 million. Operating Expenses were Rs. 26.71 million. Net Profit after levies and taxation amount to Rs. 8.05 million.

In the consolidated accounts, revenue stood at Rs. 40.26 million. Unrealized gain was Rs. 17.02 million Operating Expenses were Rs. 45.3 million. A major contributor to the overall profitability is the realized and unrealized gain on securities. On a consolidated basis, the company posted a net profit after levies and taxation of Rs. 9.08 million.

Standalone Earning per Share (EPS) was Rs. 0.23. Consolidated Earning per Share (EPS) was Rs. 0.26

## **FUTURE OUTLOOK**

Subsequent to the merger, the lending business was hived down into the subsidiary, resulting in limited income for the company. In order to cover its operating expenses, the company needs to generate additional revenue, therefore, the board decided to diversify into the skincare business. We have earmarked a skin care manufacturer for contract manufacturing of our skin care products.

Development of a few products is currently in progress. However, an agreement is yet to be executed which is expected in the current quarter. We expect to launch our products in the fourth quarter of the current financial year.

Once the skin care range is launched, we would look for other opportunities in the market in order to expand and diversify the product portfolio that could maximize returns for the shareholders.

Secondly, since the economic situation is showing signs of improvement and the stock market is at an alltime high, we expect to make additional capital gains in the current financial year, which would also contribute to the overall profitability of the company.

## ACKNOWLEDGEMENT

The Board would like to take this opportunity to thank the officials of the Securities and Exchange Commission of Pakistan (SECP) for their continuous guidance and support. The Board would also like to thank our shareholders for reposing trust and confidence in the Company, and to the members of Management and Staff for their commitment and dedication.

## INDEPENDENT AUDITORS' REVIEW REPORT

To the members of UDL International Limited

#### Report on review of unconsolidated condensed interim financial statements Karachi, Pakistan.

#### Introduction

**T** +92 21 35672951-56

Modern Motors House, Beaumont Road,

**Grant Thornton Anjum** 

Rahman 1st & 3rd Floor,

We have reviewed the accompanying unconsolidated condensed interim statement of financial position of **UDL International Limited** (the Corporation) as at December 31, 2024, and the related unconsolidated condensed interim statement of profit or loss and other comprehensive income, unconsolidated condensed interim statement of changes in equity, unconsolidated condensed interim statement of cash flows, and notes to the unconsolidated condensed interim financial statements for the half year then ended (here-in-after referred to as the 'unconsolidated condensed interim financial statements'). Management is responsible for the preparation and presentation of these unconsolidated condensed interim financial statements in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on these unconsolidated condensed interim financial statements based on our review.

#### Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410 'Review of Interim Financial Statements Performed by the Independent Auditor of the Entity'. A review of interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

#### Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying unconsolidated condensed interim financial statements are not prepared, in all material respects, in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting.
